

POSITION OPEN

Seeking a Speech-Language Pathologist:

Vegas Voice Institute is seeking a highly qualified speech-language pathologist who is a graduate of an accredited Speech-Language Pathology Program. SLP applicants must be interested and dedicated to the evaluation and treatment of patients with swallowing disorders and neurological areas of TBI, Aphasia, Apraxia. Vegas Voice Institute is an outpatient voice and swallowing clinic in sunny Las Vegas, Nevada. We are seeking a speech pathologist to work in our general outpatient clinic. We will consider CFYs. Please check us out at: www.vegasvoiceinstitute.com. This Speech-Language Pathology position may include:

- Modified Barium Swallow Studies & Swallow Evaluations and therapy
- Aphasia and Neurological Evaluations and therapy i.e. TBI, CVAs, Dementia
- General Speech Therapy Services
- Lee Silverman Voice Treatment (LSVT)
- Cognitive Therapy

If applying for the CFY position, this placement will allow completion of the 9 month CFY with a 3 month window to assist the candidate in completing and receiving credentialing/licensure paperwork. The CFY candidate will be considered for a permanent full-time position at the end of this CFY year. The candidate should have attended an accredited graduate program in speech-language pathology and completed a master's program prior to beginning the position. The candidate must have solid experience in the evaluation and treatment of speech and swallowing disorders through graduate student work. The candidate must have a strong academic background and solid recommendations from their graduate training program and supervisors during their clinical practicum. Interested CFY candidates should send the following items with your intro letter:

1. A curriculum vitae or resume
2. A cover letter documenting your background and interest in speech pathology. Please list your 5 short term and 2 long term professional goals.
3. An official transcript envelope sealed.
4. 3 letters of recommendations (one from your clinic supervisor/advisor, one from externship supervisor, and one from a professor in class). We require one personal letter from a longtime friend.

Interested applicants should send the following information to Vegas Voice Institute in one complete packet using the following mailing information: (no email applications please)

Linda L. Ganz MSCCC-SLP
Vegas Voice Institute
